

Affordable Solar Energy, Inc.

Description:

Investing in solar panels to generate electricity for your home, business, boat, etc. NOW will SAVE you THOUSANDS of DOLLARS over time.

You can even MAKE MONEY by generating more electricity than you use! The power company will BUY YOUR EXTRA ELECTRICITY FROM YOU!

An added benefit is that you'll have the satisfaction of knowing you're helping to improve our environment!

Call me for a free, no obligation estimate for your unique needs. We're based in Jacksonville, FL but we gladly travel for serious inquiries.

Find more information on my website at www.AffordableSolarEnergyInc.com or call me direct. I'd be happy to answer your questions.
